05	Your data and content	13	Termination
06	Subscription and payment	14	Governing law
07	Free trial	15	Changes to these terms
08	Free version	16	Contact us

A NOTE FROM US BEFORE YOU READ

These terms are written in plain language. No legal jargon. No hidden clauses.

We want you to understand exactly what you are agreeing to. If anything is unclear, email us at hello@storemate.lk before you accept. We will explain it directly.

These terms form the agreement between you and Parallax Technologies (Pvt) Ltd.

1 Acceptance of Terms

By registering for, accessing, or using the Storemate platform at storemate.lk or through the Storemate mobile application, you agree to be bound by these Terms of Service and our Privacy Policy. If you do not agree to these terms, do not use Storemate.

These terms apply to all users of the platform, including sellers, team members, and anyone accessing Storemate on behalf of a business. If you are accepting these terms on behalf of a business, you represent that you have authority to bind that business.

2 Who Can Use Storemate

To use Storemate, you must meet the following requirements:

- You must be at least 18 years of age.
- You must be operating a legitimate business or commercial activity in Sri Lanka or conducting business with Sri Lankan sellers.
- You must provide accurate, complete, and current information when registering.
- You must not be prohibited from using online services under Sri Lankan law or the laws of your jurisdiction.
- If registering on behalf of a business, you must have the authority to do so.

3 Your Account

1

Account responsibility

You are responsible for all activity that occurs under your account. Keep your login credentials secure. Do not share your password with anyone outside your business.

You are responsible for all activity that occurs under your account. Keep your login credentials secure. Do not share your password with anyone outside your business.

2

Accurate information

You must provide accurate business information during registration and keep it up to date. False or misleading information may result in account suspension.

You must provide accurate business information during registration and keep it up to date. False or misleading information may result in account suspension.

3

Team access

You may add team members to your account. You are responsible for their use of the platform and ensuring they comply with these terms.

The Service We Provide

Storemate provides an order and inventory management platform for Sri Lankan online sellers, including features for order tracking, courier integration, waybill generation, inventory management, and related business tools.

We are continuously improving Storemate. We may add, modify, or remove features from time to time. Where a change materially affects your use of the platform, we will notify you in advance.

1

Implementation support

We provide a full setup session to get your account operational. Our team handles the configuration — you do not set it up alone.

We provide a full setup session to get your account operational. Our team handles the configuration — you do not set it up alone.

2

Courier integration

We integrate with Royal Express, TransEx, FDE, DomEx, Koombiyo, and other Sri Lankan courier networks. Courier service terms are governed by each courier.

We integrate with Royal Express, TransEx, FDE, DomEx, Koombiyo, and other Sri Lankan courier networks. Courier service terms are governed by each courier.

3

Mobile application

The Storemate mobile app is available on Android and iOS. App store terms of the respective platform also apply.

4

Free tools

Certain tools such as the Free Waybill Generator and Free Course are available without a paid subscription. These remain subject to these terms.

Certain tools such as the Free Waybill Generator and Free Course are available without a paid subscription. These remain subject to these terms.

Your Data and Content

You own your data. Everything you enter into Storemate — your orders, your customer details, your product information, your business records — belongs to you. We are trusted with it to provide the service. Nothing more.

1

Your ownership

All data you enter into Storemate remains yours at all times. We do not claim ownership over your business data or your customers' information.

All data you enter into Storemate remains yours at all times. We do not claim ownership over your business data or your customers' information.

2

Licence to operate

By using Storemate, you grant us a limited licence to process your data as necessary to provide the service — syncing with couriers, generating reports, displaying your dashboard. No broader use.

3

Data export

You can export your data at any time. Contact hello@storemate.lk and we will provide a full export in a usable format within 14 days.

You can export your data at any time. Contact hello@storemate.lk and we will provide a full export in a usable format within 14 days.

4

Data accuracy

You are responsible for the accuracy of data you enter. We process what you provide. Errors in input produce errors in output.

Storemate offers a free trial period so you can experience the platform before committing to a subscription. The trial is designed to give you a genuine experience of the full platform.

1

Trial duration

The current free trial period is displayed on the pricing page and may vary by promotion or offer. Check storemate.lk/pricing for current terms.

The current free trial period is displayed on the pricing page and may vary by promotion or offer. Check storemate.lk/pricing for current terms.

2

Full access

During the trial, you have access to the full Storemate feature set. No artificially limited version.

During the trial, you have access to the full Storemate feature set. No artificially limited version.

3

No card required

We do not require payment details to start a free trial. You will never be charged without your explicit confirmation.

We do not require payment details to start a free trial. You will never be charged without your explicit confirmation.

4

Implementation included

The full setup session with our team is included during the trial. You set up properly from day one — not after you pay.

The full setup session with our team is included during the trial. You set up properly from day one — not after you pay.

5

After the trial

At the end of the trial, you may choose a paid plan to continue. If you do not, your account will move to limited access.

Your data is retained for 90 days.

Storemate offers a Free version of the platform — a permanently available tier that allows sellers to use core features without a paid subscription. The Free version is designed to help early-stage sellers get started with professional order management at no cost.

1

What is included

The Free version includes a defined set of core features as displayed on storemate.lk/pricing. Included features may change over time. We will notify Free version users before removing or restricting any currently available feature.

The Free version includes a defined set of core features as displayed on storemate.lk/pricing. Included features may change over time. We will notify Free version users before removing or restricting any currently available feature.

2

Feature limitations

The Free version has limits on order volume, the number of active integrations, and access to advanced features.

Current limits are shown at storemate.lk/pricing. These limits exist to ensure a sustainable service for all users.

We work hard to keep Storemate available and reliable. Our target is maximum uptime. However, no service can guarantee 100% availability at all times.

1

Planned maintenance

We may take the platform offline for maintenance. We will notify you in advance where possible and schedule maintenance during low-traffic periods.

We may take the platform offline for maintenance. We will notify you in advance where possible and schedule maintenance during low-traffic periods.

2

Unplanned Outages

In the event of an unplanned outage, we will communicate status updates through our website and notify affected sellers as quickly as possible.

3

Third-party dependencies

Some features depend on third-party services such as courier APIs. Disruptions to those services may affect Storemate functionality temporarily.

Some features depend on third-party services such as courier APIs. Disruptions to those services may affect Storemate functionality temporarily.

4

No uptime guarantee

While we strive for high availability, we do not provide a formal uptime guarantee or service level agreement on standard subscription plans.

5

Our commitment

When something goes wrong, we fix it — working beyond office hours when necessary. Accountability is a core value, not a marketing line.

PLAIN LANGUAGE SUMMARY

We take our responsibility to your business seriously. However, like all software providers, we must limit liability for events outside our reasonable control.

We will always tell you what happened and work to make it right.

To the maximum extent permitted by Sri Lankan law, Parallax Technologies (Pvt) Ltd shall not be liable for:

- Loss of revenue, profit, or business opportunity resulting from platform downtime or service interruption, except where caused by our gross negligence.
- Loss or corruption of data resulting from events outside our reasonable control, including but not limited to third-party infrastructure failures.
- Indirect, incidental, special, or consequential damages arising from use of the platform.
- Actions of courier partners, payment processors, or other third-party services integrated with Storemate.
- Loss resulting from your failure to maintain secure account credentials.

Our total liability to you for any claim arising from these terms or your use of Storemate shall not exceed the total subscription fees paid by you in the three months immediately preceding the event giving rise to the claim.

These terms are governed by and construed in accordance with the laws of Sri Lanka. Any disputes arising from these terms or your use of Storemate shall be subject to the jurisdiction of the Sri Lankan courts.

Before initiating any formal legal proceedings, we ask that you first contact us at hello@storemate.lk and give us a reasonable opportunity to resolve the dispute directly. Most issues can be resolved through honest conversation.

We may update these Terms of Service from time to time as the platform evolves and as legal requirements change. We will always be transparent about what changed and why.

- We will update the effective date at the top of this document.
- For material changes — changes that significantly affect your rights or obligations — we will email you at least 30 days before they take effect.
- For minor clarifications or formatting changes, we will update the document without individual notification.
- If you continue to use Storemate after a notified change takes effect, you are considered to have accepted the updated terms.
- If you do not agree to the updated terms, you may cancel your account before the change takes effect. We will provide a prorated refund for the unused portion of any paid period in this case.
- Previous versions of these terms are available on request at hello@storemate.lk.

Questions about these terms? Something unclear? Contact us. We will respond within 5 business days with a plain-language explanation.

Parallax Technologies (Pvt) Ltd

We are a small, passionate team that takes responsibility seriously. When you contact us about these terms, you will speak to a real person who knows the platform — not a support ticket system.

Additional provisions.

1

Entire agreement

These Terms of Service, together with our Privacy Policy, constitute the entire agreement between you and Parallax Technologies (Pvt) Ltd regarding your use of Storemate. They supersede all prior agreements or understandings.

2

Severability

If any provision of these terms is found to be unenforceable under Sri Lankan law, that provision will be modified to the minimum extent necessary to make it enforceable. All other provisions remain in full force.

3

No waiver

Our failure to enforce any provision of these terms at any time does not constitute a waiver of our right to enforce it in the future.

4

Assignment

You may not assign or transfer your account or rights under these terms to another party without our written consent. We may assign these terms in connection with a merger, acquisition, or sale of assets.

5

Force majeure

We will not be liable for failure to perform obligations where performance is prevented by circumstances beyond our reasonable control, including natural disasters, government actions, internet infrastructure failures, or pandemic conditions.

6

Relationship of parties

These terms do not create any partnership, joint venture, employment, or agency relationship between you and Parallax Technologies (Pvt) Ltd.

7

Language

These terms are written in English. In the event of any inconsistency between an English version and a translated version, the English version prevails.

8

Notices

We may send notices to the email address associated with your account. You are responsible for keeping your email address current. Notices are effective from the time they are sent to your registered email.

Terms at a glance.

A plain-language summary of these Terms of Service for quick reference.

Who operates Storemate?	Parallax Technologies (Pvt) Ltd, registered in Sri Lanka.
Who can use it?	Adults (18+) operating legitimate businesses in Sri Lanka or working with Sri Lankan sellers.

Can we change the terms?	Yes, with 30 days notice for material changes. You can cancel before changes take effect.
Can Storemate terminate your account?	Yes, for terms violations, non-payment, or fraud. We will always notify you.
What law governs?	Sri Lankan law. Sri Lankan courts have jurisdiction over disputes.
How to contact us?	hello@storemate.lk — we respond within 5 business days.

OUR COMMITMENT TO YOU

"Plain language. No surprises. No fine print."

We built Storemate to empower Sri Lankan Entrepreneurs. These terms exist to protect both parties — not to trap sellers in legal complexity. If anything here is unclear, ask us. We will explain it. That is the standard we hold ourselves to.
